### Dear Parents/Guardians:

Here is our school's report card for the 2004-2005 school year. This report card is full of important information, including academic performance, teacher qualifications, our learning environment, and much more. Please take a moment to learn more about our school. For a more detailed look at our school, please contact us to see our Expanded Report Card on file at school, which includes more information than we can provide here.

### The School Growth Chart:

To see how we're performing, please take a moment to examine our growth chart. This chart starts with our school's baseline CATS score from 2000. We've drawn a goal line from that starting point to our goal of 100 in 2014. Every two years a new index point will be marked on the chart to show whether we are meeting our goal and earning rewards, progressing but short of our goal, or falling far short of our goal and eligible for state assistance. Over time, these points will form a performance trend line for our school.

Year	Goal Line	Assistance Line	Index
2000	81.5		82.4
2002	84	79.1	84.3
2004	86.5	79.1	89.7
2006	89	79.1	
2008	91.6	79.1	
2010	94.1	79.1	
2012	96.6	79.1	
2014	99.1	79.1	
Standard Error: 0.9			

### About Our School

Crestwood Elementary School has rich heritage that dates back to 1916. The faculty and administration believe that our goal is to unlock the potential of all children by helping them to understand their role as responsible life long learners. We accomplish this goal with an experienced professional staff and strong parental support. We provide a comprehensive curriculum that is based on Oldham County Exit Standards and Demonstrators, along with an instructional program that strives to meet individual children's targeted needs.

### How Our School Ensures Educational Equity

The faculty and staff of Crestwood Elementary School strive to ensure equity for our students. Equity for all children is an issue that is addressed and monitored on a regular basis by our Comprehensive School Improvement Plan. Students identified for special education services have individualized education plans (IEPs) developed to meet their needs. Individual learning plans (ILPs) are developed for students qualifying for services as ""gifted and talented"". English Language Learners (ELL) personnel assist teachers in developing and implementing an individual plan to address areas of needs for these students. We assure equity for all students through classroom instructional techniques, curriculum, analysis of student work and the counseling program.

**School Enrollment (end of year membership 2004-2005): 662**

## How Our Students Perform

Kentucky uses the Commonwealth Accountability Testing System (CATS) to hold schools accountable for student progress. CATS has three parts: the Kentucky Core Content Tests, the national Comprehensive Test of Basic Skills (CTBS/5), and other measures of the school's performance, including attendance, retention and dropout rates. Together these three elements make up a school's CATS Performance Score for every two-year period.

### Kentucky Core Content Tests

Kentucky's tests rate student performance using four categories: Novice, Apprentice, Proficient, and Distinguished. These categories translate into a scale of 0-140, with 100 being considered proficient. The state goal for all schools is 100 by the year 2014. This chart compares our school's performance with all the schools in our district and all the schools in Kentucky.

KCCT Test	Novice			Apprentice			Proficient/Distinguished		
	School	District	State	School	District	State	School	District	State
Reading 4th	11%	4%	11%	8%	12%	22%	81%	83%	68%
Science 4th	6%	2%	6%	22%	23%	40%	72%	75%	54%
Writing 4th	5%	4%	8%	40%	37%	48%	55%	59%	43%
Mathematics 5th	10%	10%	25%	21%	19%	30%	69%	72%	45%
Social Studies 5th	13%	8%	21%	27%	18%	27%	60%	74%	53%
Arts & Humanities 5th	27%	15%	30%	41%	33%	37%	32%	52%	32%
PL/VS 5th	12%	7%	14%	23%	18%	23%	65%	75%	63%

Academic Index		
School	District	State
94.4	99.1	87.1
99.4	102.9	87.6
80.2	83.2	74.9
93	96.5	74.4
83.6	97.6	79.3
63.9	82.7	62.8
86.8	97.1	84.9

The goal is that by 2014 nearly all students will score proficient or distinguished.

### National Norm Referenced Test

The national norm referenced test used in Kentucky, the CTBS/5, measures the basic skills of our students while allowing us to compare their performance with national benchmarks established in 1996. These scores are reported in percentiles. A percentile shows the percentage of students who fell below a particular score on the test. For example, a percentile of 60 would show that the average student in our school scored equal to or better than 60 percent of all students who took the test.

National Norm Referenced Test (CTBS/5)	School	District	State	Nation
End of Primary (EOP) Reading	70%ile	75%ile	65%ile	50%ile
EOP Language Arts	61%ile	71%ile	62%ile	50%ile
EOP Mathematics	69%ile	77%ile	67%ile	50%ile

### Other Measures

The final component of CATS is our school's performance in Attendance, Retention, Dropout, Graduation and Transition to Adult Life, where appropriate. (The Retention Rate is the percent of students who were not academically ready to go on to the next grade and had to repeat the grade.) Data in these tables reflect our performance during the 2003-2004 school year.

	Attendance Rate	Retention Rate
School	96.3%	0%
District	96%	0.9%
State	94.3%	3.3%

### State Contest Results: Academic/Speech, Band, Chorus, and Orchestra

Crestwood Elementary has received the following academic recognitions: Southern Association of Colleges and Schools Accreditation (SACS), Blue Ribbon School, School of Excellence, Rewards school since 1994

## Teacher Qualifications

This chart shows the level of teacher certification, continuing education, and classroom experience of our teachers. These numbers do not include our administrators, guidance counselors, or library media specialists. Please bear in mind that teachers may be fully certified and yet not possess a formal major or minor in the subjects they are teaching. Upon request, our district will provide information about the qualifications of your child's teachers and teachers' aides.

### Procedures in Place in Our School for Drug and Weapons Detection

All staff members are trained in crisis prevention on a regular basis. Students receive drug prevention instruction, safety instructions and classroom guidance from our counselor and classroom teachers. The school follows the CHAMPs discipline approach that ensures proactive and positive approaches to classroom management. All staff members have a Safe Schools manual that contains safety procedures. Drills (fire, tornado, intruder, earthquake and train derailment) are conducted on a regular basis. A school resource police officer is shared with the South Oldham Campus schools.
